Craven County Schools

August 24, 2016

2016-19 AIG Plan

- Three year plan approved by the Board of Education in May, 2016
- Outlines changes in identification and services for gifted students in grades 4-12 (from prior three year plan) and support for grades K-3
- Full plan posted at www.craven.k12.nc.us/?page_id=41

Continued from 2013-16 Plan

- Areas of Identification
 - Academically Gifted in Reading
 - Academically Gifted in Math
 - Intellectually Gifted
- Students may be identified in one or more areas based on criteria for each.
- Services aligned to area of identification

Continued from 2013-16 Plan

- Services for Academically Gifted students are provided in the regular classroom. The AIG Specialist meets with the teacher(s) to plan differentiated activities for students and may co-teach in classes.
- Services for Intellectually Gifted students are provided in resource groups that meet with the AIG Specialist.

Changes in Identification

Students must meet 2 of 3 criteria to be identified as gifted.

Aptitude- minimum score of 90%

Achievement- minimum score of 90% on a nationally normed achievement test

Artifacts- one of the following:

observations of gifted behaviors

portfolio/interview

cumulative assessment data

Tiers of Services

- Tier 1 replaces nurturing in grades 4-8. A rubric is used to determine annual eligibility for Tier 1 services and a plan is developed. Students eligible for Tier 1 Services are **not** identified as gifted.
- Tier 2 most closely resembles services previously provided. Tier 2 students are identified as gifted.
- Tier 3 services are designed for students identified as highly gifted (97% and above). An Individual Differentiated Education Plan will be developed for these students.

K-3 Services Continued from 2013-2016 Plan

- Potential is nurtured through whole class lessons and/or small groups (thus called “AIG nurturing” class or group in K-3)
- May focus on
 - Subject area (reading or math)
 - Thinking skills
